

SAFETY DATA SHEET

Section 1: Identification

Product Name: NutriVed OFA Liquid; 8 oz.
Product Code: VINV-NUTR-LIQ8
Product Description: A clear, yellowish liquid with a liver aroma

Manufacturers Name: Pet Tech Labs
Address: 1877 Midland Street
Syracuse, Nebraska 68446-0190
Emergency Phone: (402) 269-3195 Monday-Friday 7:00 a.m. - 3:30 p.m. CST
Fax Number: (402) 269-3196
Date: April 07, 2015
Revision: 0

Section 2: Hazard(s) Identification

Hazardous Components	OSHA	PEL	ACGIH	TLV	Other Limits Recommended
None	N/A	N/A	N/A	N/A	N/A

Section 3: Composition/information on ingredients

Product Name: NutriVed OFA Liquid; 8 oz.
Product Description: A clear, yellowish liquid with a liver aroma.

The identity of the individual components of this product is proprietary information and is considered a trade secret pursuant 29 CFR 1910.1200.

Section 4: First aid measures

Eye: In case of contact with eyes, flush eyes with water for at least 15 minutes. If irritation develops seek medical attention.

Skin: After contact with skin, remove personal protective equipment and wash with plenty of water.

Ingestion: If swallowed, non-hazardous. However, drink plenty of water.

Inhalation: If inhaled remove from dusty area to fresh air.

Advice: Allergic symptoms are runny nose, cough and sneezing or contact with product causes irritation to sensitive skin and eyes. Any person who experiences any allergic or sensitive reactions to this product should refrain from handling it again.

Section 5: Fire Fighting Measures

Suitable Extinguishing Media: Water spray
Special Fire Fighting Procedures: None
Unusual Fire and Explosion Hazards: None

Section 6: Accidental Release Measures

Personal related precautionary measure: Avoid inhalation of dusts. Ensure adequate ventilation.
Spill/Leaks: Sweep, absorb or mop up affected area and dispose of in trash container.
Environmental protection measures: Not Applicable.

Respiratory protection: None required under usual conditions of use. However, if breathable dust is present, a suitable dust mask is recommended (refer to NIOSH Criteria Guides to determine appropriate unit).
Eye protection: Safety glasses and face shield available.

Section 9: Physical and chemical properties:

Appearance:	A clear, yellowish liquid.
Odor:	A liver aroma.
Melting point:	N/A
Boiling point:	212F
Vapor pressure:	N/A
Vapor density:	N/A
Specific Gravity:	0.93
Evaporation Rate:	N/A
Solubility in water:	Yes

Section 10: Stability and reactivity

Stability:	Stable.
Reactivity:	None
Hazardous polymerization:	Will not occur
Conditions to avoid:	None
Incompatibilities:	None
Hazardous Decomposition products:	None

Section 11: Toxicological information

Edible Nutritional Supplement for animals

Carcinogenicity: N/A

Section 12: Ecological Information

Environmental Hazard: None

Section 13: Disposal considerations

Any disposal practice must be in compliance with local, state and federal laws and regulations (contact local and state environment agency for specific rules).

Section 14: Transport information

Not subject to transport regulations.

Section 15: Regulatory information

For animal use only. Keep out of the reach of children. In case of accidental overdose, contact a health professional immediately.

Section 16: Additional Information

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials used in combination with any other materials or in any process, unless specified in the text.
