

NTI #: 18-819 Rev. Date: 15NOV17

_			
1.	Product and Company	Product:	Sodium Iodide 20%
	Identification:	Company:	Nova-Tech, Inc.
		Address:	4705 Gold Core Road, Grand Island, NE 68801
		Telephone:	308-381-8841
		Fax:	308-381-6038
		Recommended	For use as an aid in the treatment of actinomycosis (lumpy jaw)
		Use:	of actinobacillosis (wooden tongue) and necrotic stomatitis in cattle.
		Restrictions on	Animals vary in their susceptibility to iodides. Administer with
		Use:	caution until the animal's tolerance is determined. Discontinue
			treatment if adverse reactions occur. This is a single dose vial. No preservatives have been added. Discard any unused portion.
2.	Hazards Identification:		ew: Health injuries are not known or expected under normal use.
		Hazard Statements: H315; H320	
	Hazard Pictogram:	Potential Health Ef	
			e: Ingestion, inhalation, skin contact, or eye contact.
		Eyes: May cause e	
		Skin: May cause s	
	\sim	Inhalation: Not kno	
			following ingestion is not expected. Ingestion should be avoided.
	Signal Word: Warning		nental effects: Ecological injuries are not known or expected
		under normal use.	
3.	Composition /	Sodium Iodide

NOVA-TECH Sodium Iodide 20%

PURE PERFORMANCE

NTI #: 18-819 Rev. Date: 15NOV17

6.	Accidental Release Measures:	 Personnel Precautions: Keep unnecessary personnel away. Environmental Precautions: If safe to do so, prevent further leakage or spillage. Avoid discharge into drains, water courses, or on the ground. Methods for containment: If safe to do so, stop source of leak. Methods for Cleaning Up: For small spillage: Absorb with sand or other non-combustible absorbent material and place in labeled containers for later disposal. Large spillage: Dam and absorb spillage with sand, sawdust, or other absorbent material. Following product recovery and placement in labeled disposal containers, flush area with water and clean thoroughly. 		
7.	Handling and Storage:	Handling: Avoid contact with eyes, skin, and clothing. Handle in accordance with good industrial hygiene and safety practice. Storage: Use care in handling/storage. Store in tightly closed containers in a dry cool place per label directions.		
8.	Exposure Controls / Personal Protection:	 Engineering Controls: Provide adequate ventilation Personal Protective Equipment Eye / Face Protection: Safety glasses. Skin Protection: Gloves. Respiratory Protection: Not required for normal use of this material. General Hygiene Considerations: Handle in accordance with good industrial hygiene and safety practice. 		
9.	Physical and Chemical Properties:	Appearance: Physical State: Form: Color Light: Odor: Boiling Point: Flash Point: Flammability: Vapor Pressure: Density: Solubility (Water): Viscosity: Vapor Density: Evaporation Rate: Melting Point: Freezing Point: Burning Index:	Liquid Liquid Aqueous Solution Clear, Colorless to Yellow None No Data Available N/A Non-flammable N/A No Data Available No Data Available N/A No Data Available N/A No Data Available N/A No Data Available N/A	
10.	Chemical Stability and Reactivity Information:	Chemical Stability: Material is stable under normal conditions. Hazardous Decomposition Products: Not known. Possibility of hazardous reactions: Not expected to occur.		
11.	. Toxicological Information:	Toxicological Data Product: Sensitization: Chronic Effects: Carcinogenicity:	Sodium Iodide 20% No Data Available No Data Available No Data Available

	Persistence and Degradability: No Data Available			
13. Disposal	Disposal Instructions: According to Federal regulations (40CFR 261.4 (b) (4)), it is			
Considerations:	the responsibility of the user of the product to determine, at the time of disposal,			
	whether the product meets RCRA criteria for hazardous waste. Disposal should be in			
	accordance with all applicable regulations.			
14. Transport Information:	DOT: Not regulated as dangerous goods.			
15. Regulatory	US Federal Regulations: This product is not known to be a "Hazardous Chemical" as			
Information:	defined by the OHSA Hazard Communication Standard, 29 CFR 1910.1200. All			
	components are on the US EPA TSCA Inventory List.			
	CERCLA/SARA Hazardous Substances: Not applicable.			
	CERCLA (Superfund) Reportable Quantity: None. Superfund Amendments and Reauthorization Act of 1986 (SARA)			
	Hazard Categories Immediate Hazard – No			
	Delayed Hazard – No			
	Fire Hazard – No			
	Pressure Hazard – No			
	Reactivity Hazard – No			
	Section 302 Extremely Hazardous Substance: No			
	Section 311 Hazardous Chemical: No
